## Golf to Support Libraries

The Foundation for Mohawk Valley Libraries provides funding to assist every public library in Fulton, Montgomery, Schenectady and Schoharie counties: fourteen institutions offering library service at 22 locations in the greater Mohawk Valley.

All of our libraries enrich our communities through a variety of services that empower individuals to find success and enjoyment. Here are just a few ways that our libraries change lives.

**Boosting Early Literacy** - Libraries provide reading and language experiences for children 1-18. Over 3,000 area children participate in the annual Summer Reading program.

**Educating Communities** - Libraries regularly help individuals learn new skills and build experiences from finding a job to learning computer skills. Over 1.5 million items are borrowed from library collections each year.

**Technology Access** - Every library offers free Wi-Fi access, and computers that can be used by any resident.

**Efficiency & Collaboration** - All of our libraries work cooperatively on computer purchases and services, eBooks, etc. to operate as efficiently as possible.
