## Honoring Esther Swanker

Esther was a tireless advocate for libraries, a founding member of the Foundation for Mohawk Valley Libraries, and the guiding force behind making this golf tournament the premier fundraising event for the Foundation. She wanted the Foundation to raise the status of libraries through a high-class golf outing—and as usual, she got what she wanted.

The Foundation for Mohawk Valley Libraries provides funding to assist every public library in Fulton, Montgomery, Schenectady and Schoharie counties: fourteen institutions offering library service at 22 locations in the greater Mohawk Valley.

All of our libraries enrich our communities through a variety of services that empower individuals to find success and enjoyment through boosting early literacy, providing educational materials & classes, access to technology and promoting efficiency and collaboration.
